

The Sape Bar at the 25 hours Hotel Terminus Nord pays homage to the real dandies of the 10th arrondissement – the Sapeurs. Turned out in the brightest colours, they defy the hardships that life puts in their way. Elegant in appearance and bold in the combination of fabrics and styles, they enrich Paris with their eccentric looks.

For the whole month of December, THE TONTONS AFRO will be at the Sape Bar, offering a shared menu of Afro fusion tapas and delicious cocktails. A month of festivities based around African gastronomies in a relaxed atmosphere.
